Team Mom/Dad  Fundraising Committee  Special Event Committee   
Scholarship Committee

The Booster Club is established as a support group to encourage parent and community participation and to raise funds to enhance and expand the athletic programs that are available to each individual athlete at Central Florida Athletics. The Booster Club feels strongly that parent and community involvement is key to the success of the individual athlete.

***Team Mom's/Dad's-*** Lend their support to the program coaches and teams through coordination and communication at special events, competitions, and facilitate activities for their teams throughout the season.

***Fundraising Committee-*** Is an essential component of any Booster Club Program. The funds raised by the CFA Booster Club will provide great opportunities for athlete scholarships, expanded tumbling programs, skills classes, equipment and activities that will directly go back to the athletes of Central Florida Athletics. Fundraising

***Special Event Committee-*** Will identify, plan, and coordinate special activities such as; community service projects, the end of year cheer banquet, cook-outs, family gatherings, team bonding activities, holiday parties, special guest speakers etc.

***Scholarship Committee-*** Will establish criterion for application and selection of financial scholarships to be awarded to CFA athletes to further enhance their athletic skills and abilities.
